MS Helio Nile Cruise

Dimensions: 72.5 m length. 11.60 m width. 1.66 m draft

The Helio is an elegant and stylish Five-star cruise vessel that has echoes of Agatha Christie and Art Noveau 1930's style. The interior decor of Helio carries a certain air of elegance and superior class which is reflected throughout the entire ship. Supporting this superior standard of decor and style is a high level of impeccable service, featuring a round-the-clock reception, international telephone and fax facilities (extra charge for use) and a meeting space if the ship is fully chartered.

{gallery}NILECRUISEPICTURES/MS-Helio-Nile-Cruise{/gallery}

Split over Five-main deck levels with separate Bridge sun deck deck and Upper sun deck, the Helio carries travellers in supreme comfort, elegance and ease. The dining room can accommodate all guests in a single serving and you can enjoy buffet style meals with stunning Nile views through panoramic windows. Enjoy a refreshing dip in the pool on the Bridge deck conveniently close to the large bar and lounge where nightly folkloric shows including belly dancing and music performances are held for your entertainment. The Helio is the perfect elegant, relaxing, secure and comfortable base to which you can return after exploring the

ancient wonders of Pharaonic Egypt

Accommodation

Accommodation is on full-board basis with a daily tea time service that includes snacks and cakes. The Helio maintains an air of exclusivity with 50 well appointed cabins, each 16.40 m². The upper deck of the ship features 12 cabins, the main deck has 20 cabins and the lower Nile deck houses the remaining 18 double cabins.

Cabins have large panoramic windows overlooking the Nile. A full laundry service is available and every cabin is fully air conditioned (individually controlled). **Cabins are equipped with:**

- Private W/C, shower and hairdryer.
- Satellite TV (while docking) and music system.
- Safe for storing valuables
- Mini bar/fridge

Dining & Leisure Facilities

The Helio presents dining in style in the elegantly appointed main restaurant that can accommodate all guests in one sitting. Guests can enjoy spectacular regional and international buffet dining with stunning views of the Nile from the restaurant's panoramic windows. The spacious lounge features elegant seating and a bar serving fine beers, wines and cocktails or indulge yourself by the pool bar sipping refreshing drinks while admiring the view or working out with the fitness equipment.

The swimming pool and pool bar are located on the double-level Bridge/Sun deck and you'll find parasols and deck chairs for your comfort and relaxation. A gift shop on board will supply souvenirs or you can indulge yourself in the beauty salon (open twice weekly when visiting Luxor and Aswan). Keep in touch with home through the chargeable international telephone and fax services or spend the night enjoying regular folkloric dance and music performances held in the lounge

Itineraries

The Helio cruises between Luxor and Aswan.

Typical cruises are 7 night/8 day and 4 night/5 day programmes consisting of:
