S/S MISR Nile Steamer cruise ship

S/S Misr Luxury Nile Steamer Ship

Egypt Luxury Holidays for Sophisticated Travelers

S/S MISR Nile Steamer cruise ship originally constructed in Preston by the Royal Navy in 1918, implementing for the first time Stevenson Link reversing system for a vertical steam engine. S/S Misr steamer ship was purchased and later converted into a luxury Nile steamer for King Farouk.

Recorded as venue for the king's birthday, "on the occasion of the birthday anniversary of his majesty King Farouk I, The governor of Cairo requests the honor of your company on board the Misr Nile Steamer at 08 P.M. on February the 10th, 1939" The name of that Nile Steamer ship "Misr" meaning Egypt and the decor reflects the fashion of the period with each cabin having its own individual style.

S/S Misr steamer River Nile Boat has been rescued and fully restored as a 5 star deluxe propeller steamer; each royal sailing is limited to 45 guests traveling on the "most luxurious steam ship on the Nile" some 63 meters long, providing spacious accommodation with 24 cabins and suites. S/S Misr Nile steamer attractive features include the positioning of the lounge and restaurant on the upper and middle decks rather than on the usual lower deck placement thus enhancing one's perspective while cruising.

General Facilities and Entertainment

Accommodation is on a full board basis with daily tea time service. Aboard you will find a large, luxurious bar and lounge where you can enjoy a variety of entertainment programs and folkloric
